EDUCATION

English Dec school (2017–2019) – english acquirement
Gdańsk Business Week(2018) – soft skills
MBA school (2018–2019) – soft skills
First year of NAU university (2020)
Free code camp, MDN Web Docs and other docs

PERSONAL INFO

Self educated by realizing studying projects and also acquire new info by reading official documentations. And about my soft skills, I improved them in mba school and gdansk business week of course all communication was an english. Exactly want evolve as react–ts developer and of course be fond of coding and right react with typescript. So, I have default hobbies. Certainly motivated enough to work in new company.
